

Prayer to St. Aloysius

Patron of Youth

Dear St. Aloysius, faithful follower of Christ, and loving patron of our youth, help us today to see right from wrong.

Let us not lose sight of heavenly realities, while we apply ourselves diligently to the circumstances of our earthly lives.

Enable us to hear God's voice, follow His will, pursue His purpose and accept His judgments.

Help us to act to please God rather than ourselves or others.

Enable me to walk in faith toward the future that God has promised to those who accept His word.
